

VOLUNTEER SIGN-UP FORM FOR SPRING 2009 CITYSTUFF PROGRAM

What Is CityStuff?

- The Carlsbad CityStuff Third-Grade Curriculum is an innovative, Putnam-award-winning collaboration among the city of Carlsbad, Junior Achievement, local businesses and elementary schools located in Carlsbad.

How Does it Work?

- Working solo or in two-person teams, each trained volunteer enters a classroom one hour a week for six weeks.
- Using the fun, hands-on materials provided, volunteers show students why and how a city plans, what kinds of businesses and jobs comprise the local economy and how to achieve career success.
- The first four Junior Achievement lessons are bolstered by Carlsbad information.
- Lesson Five explains how Carlsbad became a city, and Lesson Six brings each classroom to City Council Chambers to conduct a mock council meeting!

When Does it Start?

- CityStuff Spring 2009 kicks off with three-hour training on Friday, March 13, 9 a.m. - noon, at the Georgina Cole Library Community Room located at 1250 Carlsbad Village Dr. Classroom activities can begin as soon as April 2009. Schedules are flexible. Volunteers and classroom teachers decide on a schedule that works for them.

Sign up Now!

- Join city of Carlsbad colleagues and volunteers from the business community and general public to bring CityStuff to 60+ third-grade classrooms in Carlsbad. We'll be introducing some 1,400 students to their Carlsbad world!

Please complete this form and send it to
